

SENATE COMMITTEE VISITS SALT LAKE

Investigation of Irrigation Projects Throughout Country Is Being Made.

ADVICE GIVEN TO UTAH

SENATOR CARTER SAYS FARMERS SHOULD FIGHT WEEDS.

Salt Lake for several hours today will entertain several of the members of the United States senate committee on irrigation and reclamation of arid lands, who arrived in this city last night, over the Denver & Rio Grande railroad, and are voting a day to looking over the Strawberry valley project and attending a rousing meeting at Spanish Fork. The senators in the party and other visitors were entertained last evening at an informal dinner at the Alta club, given by Senator George Sutherland of Utah, who is a member of the committee.

In the party which registered at the Knottford last night were Senator Thomas H. Carter of Montana, chairman of the committee; Senator W. L. Jones of Washington; Senator F. E. Warren of Wyoming; F. H. Newell, director of the reclamation service; Stephen J. Murphy of Washington; C. C. Borgess, chairman of the senate; William Dubois, secretary to Senator Warren; H. W. Smith of San Francisco and F. A. Wadsworth of Denver, assistant general passenger agent of the Denver & Rio Grande, and Charles R. Eaton and George J. Scharsberg, newspaper men.

This morning the party will be taken

LITTLE SUFFERER FROM ECZEMA

Grew Worse in Spite of Six Months of Ablest Treatment—Sleep Terribly Broken—Face, Head and Hands Masses of Dreadful Humor.

A SINGLE SET OF CUTICURA CURED HIM

"I feel it my duty to let you know what success I have had with the Cuticure Remedies."

When our baby was seven weeks old he broke out with what we thought was heat but which gradually grew worse. We called in a doctor. He said it was eczema and from that time we doctored six months with three of the best doctors in Atchison but he only got worse. His face, head and hands were a solid sore. There was no end to the suffering for him. We had to tie his little hands to keep him from scratching. He never knew what it was to sleep well from the time he took the disease until he was cured. He kept all hours in the night and his health wasn't what you would call good. We tried everything but the right thing. Finally I got a set of the Cuticure Remedies and am pleased to say we did not use all of them until he was cured. We have waited seven months to see if it would return but it never has and today his skin is clear and fair. It is easily could be. I hope Cuticure may save some one else's little one's suffering and also their pocket-books. John Leason, 1403 Atchison St., Atchison, Kan., Nov. 3 and 17, 1908.

Cuticure comfort for all who suffer from facial eruptions such as acne (pimples and blackheads), acne rosacea, facial eczema, ringworm, tetter, redness, roughness and oily perspiration is found in gentle anointings with Cuticure followed by warm baths with Cuticure Soap. For preserving, purifying and beautifying the skin, soap, hair and hands of infants, children and adults, Cuticure and Cuticure Soap are priceless.

Cuticure Soap (25c), Cuticure Ointment (50c) and Cuticure Cream (50c) are the only skin beautifiers that are sold throughout the world. For more information, write to Cuticure, 135 Columbia Ave., Boston, Mass. or 40-page Cuticure Book, mailed free, giving description, treatment and cure of diseases of the skin.

SUFFERING ENDED

F. C. Schramm Sells the Remedy That Cured Stomach Trouble of 14 Years.

And best of all, F. C. Schramm guarantees it to cure you or money back. Read this:

"I have been a great sufferer for 14 years, everything I ate gave me heartburns. I have never been able to get anything that would give me any relief until a friend of mine insisted on my taking Mi-o-na. I took a 50-cent box and I believe I am entirely well." F. M. Bryant, Newton, Kan., June 15th.

Mi-o-na is not a nostrum; it is the prescription of a celebrated physician who is a specialist in stomach diseases.

One clever woman calls Mi-o-na the Sunshine Prescription because it changed her from a miserable, nervous dyspeptic into a bright, healthy, happy woman in a few weeks.

These little Mi-o-na tablets are surely wonder workers. They cure indigestion, whether acute or chronic.

They stop belching, gas in stomach, and heaviness, in a few minutes. "Disappears" after eating vanishes as if by magic when one or two little Mi-o-na tablets are swallowed.

Only 50 cents a box at leading druggists everywhere, and in Salt Lake City by F. C. Schramm. Test sample free from Booth's Mi-o-na, Buffalo, N. Y.

HYOMEI

Cures catarrh or money back. Just breathe the fumes. Complete outfit, including inhaler \$1. Extra bottles 50c. Druggists.

A Skin of Beauty is a Joy Forever.

DR. T. Felix Gouard's Oriental Cream or Magical Beautifier.

Removes Tan, Pimples, Freckles, Moth Patches, Rash, and Skin Diseases, and restores the skin to its natural beauty, and does so in a few days. It is so simple and so effective that it is a wonder that it is not used by every woman.

Accepts of the same as Dr. A. J. S. says and to a lady of the nation.

I recommend it to all who are troubled with skin diseases.

"Gouard's Oriental Cream" is the best skin preparation I have used. For sale by all druggists and Fancy Goods Dealers in the United States, Canada and Europe.

LEO T. HOPKINS, Prop., 37 Great Jones Street, New York.

CAUSES DEBILITY

Here Are Facts Backed Up by a Strong Guarantee.

Catarh causes debility. In our opinion most people suffering from general debility have catarh. Such cases of debility cannot be completely cured by medicine not designed to eradicate catarh. In every case where our remedy fails to give entire satisfaction we will not charge a cent for the medicine employed during the trial. Now, surely no one should hesitate to believe us or to put our claim to a practical test under such conditions. We will take all the risk; no one else can lose anything by the transaction.

We make these statements and this offer because we know and have time and again proved that Rexall Muc-Tone rarely fails to do as we claim. It is not a cure-all prescribed to cure every disease that flesh is heir to. It is intended for one purpose, i. e., to cure catarh by assailing the diseased condition in a reasonable, scientific way, which is to employ agents that have been found to have the tonic and alterative power to correct faulty metabolism (tissue change) and to stimulate and help nature overcome the cause or causes of catarh. This being done, appetite increases, nutrition improves, weight is gained, comfort of body is attained and life's work taken up with the zest natural to the perfectly healthy individual.

We want you to try Rexall Muc-Tone. Follow directions and take it regularly and consistently for a reasonable length of time. Then, if you are not satisfied, come back and tell us the money you paid for the treatment will be returned without any argument whatever.

Rexall Muc-Tone comes in two sizes, 50c and a bottle. Sold only at our stores—The Rexall Stores, Smith Drug Co., Inc., "The Busy Corner," Smith Drug Co., No. 2, 108 South Main street, Druehl & Frankel, 271 South Main street.

on an automobile tour of the city, visiting various points of interest, including Fort Douglas, which will have special interest for Senator Warren, who is chairman of the senate committee on military affairs. At 2:30 o'clock this afternoon the party will leave for Ogden and will take the Overland Limited from that place for Fallon, Nev., where they will look over the Carson-Truckee project, as well as the Lake Tahoe reservoir, a part of that project.

Getting Information.

"We are now on the second half of a tour which is expected to complete the inspection of the irrigation projects," said Senator Carter last night, "and expect to finish by about Nov. 20, prior to the start of congress. We are endeavoring to ascertain from the people who will get the benefit of the projects their ability to pay for the work and to hear any complaints they may have. The idea is to get the water on the ground as soon as possible, that the money may begin to come back to the reclamation fund. The project we looked over today in Utah doubtless will open a large area of fertile lands. This seems to be the same kind of soil as is bringing \$1,500 or \$2,000 an acre in the Palisade district. The people of Utah will have to study horticulture, the raising of orchards free from weeds and take other steps to reach the point which has been attained by these other districts."

The tour is of especial interest to Senator Jones, who made the tour of these projects about four years ago as a member of the senate. He is able to see the progress which has been made on the work. About \$50,000,000 has been expended on the projects and it will require about a like amount to complete them. Some of the committee favor a plan of drawing revenue-bearing water against the reclamation fund, to run for only a few years, as a means of furnishing funds for completing the work. The committee will go from Utah to Nevada and California, returning over the southern route through Arizona and New Mexico, and will visit the projects west were visited on the first tour, which took place between Aug. 11 and Sept. 12.

HAS STRONG ARM.

Taking Lunch Counter Seat Cost Prisoner Sentence in City Jail.

Being strong of arm drew thirty days for Henry Mullen in police court yesterday afternoon on the charge of destroying property. Though he is a man of medium build, it was proven that Mullen had twisted the seats of lunch counter stools and snapped their iron supports as though plucking daisies, in the saloon at 14th and Commercial street Tuesday night. The seats were used as missiles against Edmond Erdeman and the proprietor of the saloon. Mullen regarded his feats of strength as the merest trifles. "They were all against me, judge," he said, "and I had to grab the first thing that would come loose." Peters testified that the supports of the stools were of iron piping an inch in diameter and that Mullen had snapped them completely in two in a mad effort to secure a weapon. Mullen said Erdeman had assaulted him with a butcher's steel and a knife.

SOCIETY

Continued From Page 5.

prominent Salt Lake people will go up for the event. On Saturday Dr. John Sundval of the city will give a lecture at Nibley hall, in Logan, under the auspices of the state board of health.

A final rehearsal by those who will take part in the presentation of "Aunt Sarah's Family Album" was held last night in the parlors of the First Methodist church, and arrangements were completed for the play, which will be given Friday evening in the program auditorium. There will be a church of special interest rendered by Earl Kibbey and Mrs. A. S. Peters, and following the play a social hour will be enjoyed in the parlors. On Saturday Mrs. T. C. Webber will entertain Mrs. Fitz and the officers of the Utah State Society of the Daughters of the Revolution.

The Daughters of the Revolution will give a reception Tuesday morning at 11 o'clock at the home of Mrs. P. T. Farnsworth in East South Temple street, the affair being in honor of the president general of the organization, Mrs. Adeline F. Fitz, who will arrive in Salt Lake next Thursday morning.

A number of events are being planned in honor of Mrs. Fitz, among them being a luncheon Friday at the university, following the devotional exercises at 11:30 o'clock, where Mrs. Fitz will deliver a patriotic address. After the luncheon the guests will go to the lake at 2 o'clock, and will be entertained at the Lion house on their return at 3:30 o'clock. On Saturday Mrs. T. C. Webber will entertain Mrs. Fitz and the officers of the Utah State Society of the Daughters of the Revolution.

The luncheon to be given at her home in Second avenue. Before the luncheon the members will attend the organ recital at the tabernacle, and in the evening they will be entertained with a box party to be given at the Salt Lake theatre.

Mrs. Fred Hornung will return Sunday from a three weeks' stay in San Francisco.

Miss Maude Miller who has been with her parents, Mr. and Mrs. E. D. Miller, for a few days, will leave today to resume her work at Stanford university.

Miss Edith Burns returned Saturday from a three months' stay in Chicago.

Miss Mildred Lang, who has been visiting in Honolulu and California, for the last six months, has returned to Salt Lake.

Mrs. Samuel Newhouse will sail Nov. 5 for New York, after an extended stay in Europe.

MARRIAGE LICENSES.

David Tarbet, Logan; Gertrude V. Theurer, Providence.

Benjamin Beckstead, Sandy; Edith P. Webb, Riverton.

Marshall H. Wheat, Salt Lake; Hilma D. Malinstrom, Ogden.

John P. Caine, Salt Lake; Christine V. Winn, Ogden.

Harry Forrest and Ethel Wright, Salt Lake.

Sylvester Jones, Dayton, Ida.; Annie M. Cowburn, Weston, Ida.

Say Piper Heidsieck to your dealer if you want a delightful, mild and pleasing chewing tobacco.

ACTRESS USES A BIG AUTOMOBILE

MISS ELIZABETH GOODALE AND HER AUTOMOBILE.

This photo is a correct likeness of Miss Elizabeth Goodale, who is the nurse in "The Time, the Place and the Girl," which begins a week's engagement at the Colonial theatre Sunday, and her new designed Pope-Hartford machine. The picture was taken on a country road in California recently, where Miss Goodale had stopped to get some water.

This actress is one of very few who have their autos with them while on tour, but Miss Goodale figures that the pleasure she derives from driving in her machine more than makes up for the expense. And besides, she does not require the services of a driver, as she

prefers to do that herself, for she says that the driving is more than half the pleasure. Whenever the roads are good and the towns they play are not too far apart, she will load the little dancing girls into her car and away they go to the next town. This not only saves the management a number of railroad fares, but the young women feel more like working at night after driving in the fresh air all day. Miss Goodale is considered quite a clever driver, and has met with but few accidents, one of those happening near Oakland when a pig dashed across the road and one of the front wheels struck it, causing the machine to jump the road and go down a small embankment.

SQUIRREL IN STREET

CAR CAUSES A PANIC

Conductors, Passengers and Patrolmen Baffled in Attempt to Capture Him.

One small gray squirrel, which wandered into upper Main street yesterday from the vicinity of the temple grounds, created amusement for a crowd of several hundred persons, almost caused a panic in a Yorkville Bridge car and made probably a score of women scurry into drug stores and other places of refuge near the corner of South Main and First South streets, after which the squirrel quietly dropped back to his leafy home somewhere near the temple wall.

It was shortly after 2 o'clock yesterday afternoon that the inquisitive squirrel, seeking a favorable opportunity, evaded the watchful eye of his mother in the family tree and bounded into Main street and then things began to happen. Patrolman N. 58 was the first to spy the little animal, and he moved toward it, emitting loud "shooes." The squirrel "shooed" onto the step of a Jordan Bridge street car and hopped nonchalantly into the car. The conductor, who was sitting in the car, ceased for the moment while women grabbed frantically at straps and men grabbed no less frantically at the tail of the squirrel. He eluded them, one and all.

Having satisfied his curiosity in the street, the squirrel again sought the street, and the thoroughfare was immediately transformed into a hunting ground. Women behind hurried by the squirrel and the squirrel being hunted by the men. Escaping his pursuers, the squirrel dashed into a drug store and hid in the Mulvey saloon on First South street and caused three chronic drinkers to swear off for life.

Evidently feeling assured that he had done enough good for one afternoon, the squirrel dashed back to Main street and after being pursued for a block disappeared from view near the temple grounds.

He was satisfied that he had come, seen and conquered.

HINDU LECTURES.

Audience at Immanuel Baptist Church Hear Interesting Narrative.

Arthur Christner, a Hindu, native of Cutch, India, last night gave an interesting narrative of the story of his life and his conversion to Christianity at the Third South and Seventh East streets.

Exhibiting an idol, which he had worshipped for many years, he stated that he had been persuaded to renounce idol worship by the Volunteers of America, and that now the only being whom he bowed the knee in worship was the God of the Christians.

Mr. Christner has traveled extensively, having been around the world in the course of his wanderings, and his narrative on his experiences in various countries was highly interesting.

ONE DOSE ENDS INDIGESTION, HEARTBURN OR GAS ON STOMACH.

Relief in Five Minutes Awaits Every Man or Woman Who Suffers From a Bad Stomach.

Why not get some now—this moment, and forever rid yourself of Stomach trouble and indigestion? A dieted stomach gets the blues and grumbles. Give it a good eat, then take Pape's Diapiesin to start the digestive juices working. There will be no dyspepsia or belching of Gas or eructations of undigested food; no feeling like a lump of lead in the stomach or heartburn, sick headache and Dizziness, and your food will not ferment and poison your breath with nauseous odors.

Pape's Diapiesin costs only 50 cents for a large case at any drug store here, and will relieve the most obstinate

case of Indigestion and Upset Stomach in five minutes.

There is nothing else better to take Gas from Stomach and cleanse the stomach and intestines, and, besides, one single dose will digest and prepare for assimilation into the blood all your food the same as a sound, healthy stomach would do it.

When Diapiesin works, your stomach gets its rest, gets its order, cleans up—and then you feel like eating when you come to the table, and what you eat will do you good.

Absolutely reliable from all Stomach Misery is waiting for you as soon as you decide to take a little Diapiesin. Tell your druggist that you want Pape's Diapiesin, because you want to become thoroughly cured of Stomach trouble.

Remember, if your stomach feels out-of-order and uncomfortable now you can get relief in five minutes.

The Taste of the Nation

Uneeda Biscuit

5c

NATIONAL BISCUIT COMPANY

has actually been changed and cultivated by Uneeda Biscuit.

No longer are people satisfied with crackers taken from the grocer's box or barrel—exposed to dust, moisture, handling.

They have learned that the only crackers that are crisp, tender, always fresh and really good are those protected by a moisture-proof package. These are the kind they get—as if just from the oven—when they ask for

To Enjoy

the full confidence of the Well-Informed of the World and the Commendation of the most eminent physicians it was essential that the component parts of Syrup of Figs and Elixir of Senna should be known to and approved by them; therefore, the California Fig Syrup Co. publishes a full statement with every package. The perfect purity and uniformity of product, which they demand in a laxative remedy of an ethical character, are assured by the Company's original method of manufacture known to the Company only.

The figs of California are used in the production of Syrup of Figs and Elixir of Senna to promote the pleasant taste, but the medicinal principles are obtained from plants known to act most beneficially.

To get its beneficial effects always buy the genuine—manufactured by the California Fig Syrup Co. only, and for sale by all leading druggists.

John Hamilton, head of the modern language department of the University of Missouri, and author of many essays dealing with the possibilities of a universal language, registered at the Koryon yesterday morning, en route to his home after two years in Asia.

Professor Hamilton has been studying the tongues of the various hill tribes of northern India and the interior of China and Asia, and many languages reveal a common language in the literature of the half-barbaric races of those regions.

He says that although the Aryan and Caucasian branches of the white race meet up with the yellow race in central Asia, in many instances the languages and modes of expression remain inviolate.

From this he draws the conclusion that in every instance the languages and modes of expression remain inviolate.

As yet I have found no insurmountable difficulty among the various tongues of the white race, however, which would prevent a universal language being adopted," he said.

GOWN RUINED BY PAINT.

Mrs. Thompson Sues Railroad Company for \$30.50 Damages.

Did the eternal curiosity of the human race towards "fresh paint" signs cause Mrs. A. C. Thompson to ruin a brand-new gown, or was it an accident?

This is the question that comes uppermost in one of the most peculiar damage suits ever filed against a railroad company and in which only the actual amount of material damage is prayed for.

Yesterday Mrs. Thompson filed suit against the O. S. L. Railway company for \$30.50, the value of a new gown, which it is alleged was ruined by fresh paint on the platform of the new station Sept.

The petition recites that Mrs. Thompson was forced against the railing by a car when it was backing and that the railing had been freshly painted, causing irreparable damage to her dress. The suit is for the value of the dress and no more. The suit was filed in the court of Justice Stanley A. Hanks.

REPORT ON STATE FUNDS.

Receipts during the month of October of \$120,901.37 are shown in the monthly report of David Mattison, state treasurer, which, with a previous balance of \$241,072.23, made a total of \$361,973.60 in money handled during the month. The disbursements for the month totaled \$25,322.54, divided as follows:

General fund, \$81,097.46; state district school fund, \$1,289.21; state fish and game

fund, \$2,175.90; extermination wild animals fund, \$33.44; county road school fund, forest reserve, \$1,008.82; state lands fund account, principal and interest, \$3,356.91.

This leaves a balance in the various funds of \$286,341.06.

The Best Cough Syrup Is Easily Made at Home

You can make a full pint of cough syrup in five minutes by this recipe—enough to last a family a long time—at a cost of only 24 cents. It is not only cheaper, but better, than the cough medicines you buy. Its taste is pleasant—children like it. It stops obstinate coughs in a hurry, and is splendid for other throat troubles.

Granulated Sugar Syrup.....13 1/2 oz. Pinex.....2 1/2 oz. Put 2 1/2 oz. of Pinex in a pint bottle and fill up with granulated sugar syrup made as follows. Take a pint of granulated sugar, add 1/2 pint of warm water and stir until dissolved. Take a teaspoonful every one, two or three hours.

This recipe will not work with any of the weaker pine preparations. Use the real Pinex itself, which is the most valuable concentrated compound of Norway White Pine Extract. All druggists have it, or can get it easily on request.

Strained honey can be used instead of the syrup, and makes a very fine honey and pine tar cough syrup.
